

Sunny English 2019

Usually we started our day with an amazing Pow-Wow...

After that we
had our training!

Sometimes we worked individually...

But more often we did it in teams!

We've made so many new friends!

We love sports!

Tulkin's museum is
great!

Watching "Aladdin" ...

And drawing outdoors

We went swimming twice!

We discussed the USA education with our guest from Moscow

Tasty and healthy food
for English learners!

Tea ceremony

And our wonderful trip
to the Bashkir Nation
Museum!

Although we got tired we didn't want to end the excursion

Our activities

Hope to see you all
next summer!☐☐☐
